Children’s University New Digital Online Platform

Dear Parents/Carers

The Children’s University have launched a new digital online platform which we hope to have up and running by the start of next term. The digital platform will work alongside the paper passports, where eventually, all children will be able to log onto and see their progress.

In order to add your child to the system, we need the following details and permission to share this information with the Children’s University. Please complete the form below and return it, along with your child’s passport, to the school office by Thursday 12th December 2019.

For information on their sharing agreement and GDPR policy, please go to <https://childrensuniversity.co.uk/privacy-policy/>.

Kind regards

Mrs Tompkins
School Administrator
