Dear Parents

Year 5 & 6 residential June 2021

Unfortunately, it is not beyond possibility that Covid-19 is going to be with us for some time, which means we now have to reconsider some of the long-term plans we are usually making at this time of year.

Next year our residential was due to take place in Brest, France. Understandably, current Department of Education guidelines restricts this from taking place.

We have considered returning to the Mount Batten Watersports Centre, but unfortunately at this present time we are unable to secure insurance and therefore should we have to cancel we would be unable to return any deposits paid. Sadly, together with the other Plympton Schools in the Westcountry Trust, we have taken the decision that any plans for a residential are postponed until 2022.

As the academic year progresses, we will continue to review our plans, but it seems a likely alternative will be to plan a series of activities that are non-residential, at a much reduced cost.

Please be reassured that we are all deeply disappointed, but the health and safety of our school community remains our utmost priority.

Thank you for your support and understanding.

With kind regards,

MKC HEROES
