Dear Parents and Carers

### **Government announcement of a national lockdown**

Following the Prime Minister's announcement of a national lockdown this evening, the following arrangements will be put in place for education at Plympton St. Maurice Primary School on Tuesday 5 January. I'm sure you can appreciate the complexities of decisions at such short notice.

The children of key workers and vulnerable pupils can attend school on Tuesday 5 January. These children will receive emergency educare and further plans will be put in place from Wednesday onwards. For any parents who are unable to provide for their children at home tomorrow, their children can also attend school for Tuesday 5 only. This is so parents can make the necessary arrangements to look after them at home from Wednesday onwards.

All other children should remain at home. Due to the short notice of this decision, no remote learning will be provided for these children until Wednesday 6 January.

Further details of remote learning and other arrangements will be communicated tomorrow.

In the meantime I can only apologise for the inconvenience I know these changes will cause.

Yours sincerely

Mrs Sarah Jane Tustain  
Head Teacher
