Mayflower 400 – 2020, a historic year commemorating a unique moment for Plymouth

Mayflower 400 will commemorate the 400 year anniversary of the historic journey of the Mayflower with an extensive programme of activities around the city. This will include a public commemoration event on September 16, 2020, the day the passengers left Plymouth on the Mayflower and set sail for America in 1620.

From cultural exhibitions, outdoor installations and live shows to community activities and sports programmes, there will be something for everyone during Mayflower 400 year.

With over 30 million Americans being able to trace their ancestry to the first settlers of the Plymouth colony, the Mayflower 400 year will involve four nations, Netherlands, UK, USA and the Wampanoag nation who were key to their survival in the first winter as they struggled to come to terms with their new surroundings.

National and International Connections

Prior to the Mayflower's departure from Plymouth, England, Mayflower history was written in many towns and cities - each of them detailed in the Mayflower trail. The trail includes Austerfield, Scrooby & Babworth, Gainsborough, Boston, Immingham, Worcestershire, Leiden, Holland, Harwich, Rotherhithe, Southampton, Dartmouth, Plymouth and Plymouth, USA. All of these locations play a collective part in the story of the Mayflower and the people involved.
