Dear Parents

New Pupil Online Application Pack

We hope you are all well at this unprecedented time. You would normally receive a New Parents Pack in June when you attend the new parents meeting, however as you are aware, in light of the current situation, this meeting has unfortunately been cancelled.

To assist us in commencing the registration process, we have produced electronic versions of the forms and ask that you please complete and submit them by **Friday 3rd July**.

We are currently putting together packs of information that will be delivered to your doorstep the first week of July. We have also created a new parent page on the website, the PowerPoint and presentation that the Headteacher would normally share with you can be viewed on the school website. Please click the link to view:

Free School Meals

All primary school children in Foundation, Year 1 and Year 2 automatically receive the Government funded universal infant free school meals however, if you receive certain benefits due to lower income, you may also be entitled to claim Free School Meals.

We encourage parents to apply for Free School Meals, even though your child will already receive the universal infant free school meals, as this provides the school with vital additional funding, used to assist in pupil progress. If you are in receipt of benefits and believe you may be entitled, please use the below link to access and complete the electronic FSM application.

New pupils starting in foundation are not automatically linked to other family members receiving FSM. If there is already a sibling in school who receives FSM, please use the below link to access and complete the form.

School Newsletter

Every Friday we send out a school newsletter, which during the current situation, is one of the main forms of communication keeping our parents up to date. Your email address will be automatically added to the distribution list and you will receive an email asking you to confirm your email and registration. If you have not seen this within a few days, please check your junk folder. Alternatively, should you not wish to receive this form of communication, please ignore the email.

Social Media

As a school, we use different social media platforms to communicate with parents and carers. You can find us by clicking the link on our school website or by searching for us on:

Facebook: <https://www.facebook.com/plymptonstmauriceprimaryschool/>

Twitter: <https://twitter.com/@psmprimary>

Instagram: <https://www.instagram.com/psmprimaryschool/>

Should you require any assistance in accessing or completing any of the online forms, please do not hesitate to contact me at louisa.tompkins@psmps.co.uk.

Kind regards
