Shekinah's Christmas Menu for Change

We know this year has been a challenging and an uncertain time for everyone and we are really grateful for the support we have received. Over the past 12 months as a result of your generosity we were able to help people experiencing homelessness into accommodation to self-isolate during the Covid-19 lockdown in Plymouth and Torbay. Because of your continued support we were able to offer a regular service throughout the lockdown.

Without your support and generosity Shekinah would not be able to offer the range of services we currently deliver. Please donate to help us continue our valuable work supporting people who need it more than ever.

HOPE

Even one visit to Shekinah can positively impact on a person and give them confidence and encouragement to make life-changing decisions with the wrap-around support to succeed. Knowing that there is someone there to support and offer assistance when you really need it the most makes the biggest difference.

Everyone deserves a home of their own.

Our Housing First team in Torbay supports people back into accommodation and offers 24/7 support so people get the support when they need it. Please read how this has helped Rik who is now in a home of his own.

Rik has gone from strength to strength with Housing First support settling into his home very well. Rik says "Bills are still a problem but having my own door makes me feel safe and I can choose who can come into my home." Rik has been supported with budgeting and how to manage his home.

Rik says "Housing First has helped me gain my own independence tenfold" and he is looking to the future and his life within his forever home with the continued support of the Housing First team.

Please help someone leave homelessness behind for good.
